Dear Gary and the entire Oheka team,

We wanted to thank you for everything that you did for us at our wedding. We couldn't have asked for anything more beautiful, better service or more food. We and all of our guests were so stuffed from the delicious main course that it was difficult to find the room to enjoy the desserts that were served.

As a member of the Jonas Brothers I have traveled all over the world and stayed at many of the most beautiful hotels and the treatment and accommodations we received at Oheka not only made our wedding amazing but exceeded our expectations. Your family treated us like family and for that we are grateful. Simply put our experience at Oheka couldn't have been better and it is something we will treasure forever.

We cannot express how much we appreciate all you have done for us during this special time.

Sincerely,

Kevin and Danielle Jonas
